

COMMON PERSPECTIVE

Live an active, productive lifestyle.

The Commons supports your desire to live an active life in a variety of innovative ways.

Commons Happenings

The recreation and event program developed by Members and our Member Service Director can be an important part of your lifestyle. It offers exercise, enrichment, education, social and spiritual events designed by and for you! *The Commons* calendar is available on our website.

Commons Partners

Because *The Commons* wants to support you in continuing the life you have built, as well as help you find others committed to the same goal,

we have created Commons Partners. These Huntsville businesses are part of *The Commons* community. Many have special offers and discounts for you and your family. Hike a local attraction or go out to dinner for fine dining at one of our Commons Partner restaurants- all for a discounted rate as a Commons Member.

Convive!

Meaning “with life”, we host regular *Convive!* events to give our prospective Members, Partners, and our Management team an opportunity to get to know each other. Guests may invite family, friends, or anyone that enjoys good company and good food!

The Jupiter Club

The Jupiter Club is named after the rocket program that brought national attention to Huntsville and Redstone Arsenal in the ‘50s and ‘60s. We believe that you are a pioneer in your generation and in your own life and find it a suitable name as the Members’ Council at *The Commons*. This organization, run by the members, plans and directs the recreational programs at *The Commons* through quarterly meetings.

The Club Room

Even though your Commons apartment may be smaller than your old home, you can host large gatherings of friends
