

COMMON PERSPECTIVE

Spend more time with my family.

As a family owned business, we understand how important quality family time is. That is why we designed *The Commons* to support you and your family's needs. From family focused events to RV parking, *The Commons* offers a range of amenities and services designed with your loved ones in mind.

The Club Room

With our wonderful Club Room, you can invite your friends and family over whenever you want. Host a dinner party and enjoy the fully equipped Party Kitchen and Private Dining Room. When it is time to have a backyard cook-out, our Outdoor Living Area with screened porch, patio

and convenient grilling station is the perfect spot to entertain.

Commons Happenings

The recreation and event program developed by Members and our Member Service Director is a great reason to get together with family. Along with exercise, enrichment, education, social and spiritual events, Commons Happenings offer Family Nights to spend with your loved ones. *The Commons* calendar is available on our website for you and your family to reference.

Commons Partners

Because *The Commons* wants to support you in continuing the life you

have built, we have created Commons Partners. As part of *The Commons* community, these Huntsville businesses have special offers and discounts for you and your family to take advantage of. Hike a local attraction or go out to dinner for fine dining at one of our Commons Partner restaurants- all for a discounted rate as a Commons Member.

Convive!

Meaning "with life", we host regular *Convive!* events to give our prospective Members, Partners, and our Management team an opportunity to get to know each other. Guests may invite family, friends, or anyone that enjoys good company and good food!
